5. Futureproofing Australia's systems and processes

18

Please select the topics within the chapter(s) you would like to provide feedback on. 5. Futureproofing our systems and processes

5.4. Mechanisms for continuous review and improvement, 5.5. Capacity and capability of the HTA system

152

Taking all Options within this section: 5.4. Mechanisms for continuous review and improvement into account.

Overall, to what extent could the options (if implemented) address the issues that relate to them?

Address little or none of the issue(s)

153

If you would like to expand on your answer above you can do so below:

I feel this disgraceful bureaucracy would push citizens towards euthanasia.

154.1

If implemented, overall would these Options have a positive or negative impact on you (/your organisation)? - A program of continuous review and improvement for current HTA policies and methods

Very negative

157

Taking all Options within this section: 5.5. Capacity and capability of the HTA system into account.

Overall, to what extent could the options (if implemented) address the issues that relate to them?

Address little or none of the issue(s)

159.1

If implemented, overall would these Options have a positive or negative impact on you (/your organisation)? - Improve HTA capacity and workforce in Australia

Very negative

167

In summary, considering all the draft reform options together:

How confident are you that the reform options (if implemented) will make health technology assessments better overall?

Not at all confident

168

If you would like to expand on your answer above you can do so below:

Having lived through the last four years, all medical professionals and bureaucrats would not listen to patients and allow the government into the surgery.
